

MAPSS PRESENTS

**THE SECOND ANNUAL  
GRADUATE STUDENT ACADEMIC  
RESEARCH CONFERENCE**

**FRIDAY, MAY 19<sup>TH</sup> 2017**

Note from the Organizers:

*Following in the MAPSS tradition of approaching intellectual questions from a variety of perspectives, concerned with the many theoretical and methodological commitments of the major fields in the social science discipline, our conference today approaches specific themes with a multitude of perspectives. Each panel is comprised of original research connected to a topic or theme, and viewed through the lenses of at least three disciplines.*

Thank you for joining us today.
